Materials

1. File Folder
2. Construction paper
3. Pocket for back of folder

Instructions

Cut a caterpillar shape and a butterfly shape out of several different colors of construction paper including red, orange, yellow, green, blue, purple, pink, brown, and white. Glue the caterpillar shapes on the inside of a file folder. Label the folder **Caterpillar to Butterfly**. Glue a pocket onto the back. Laminate the folder and the butterfly shapes. Encourage children to match the colored butterfly to the corresponding caterpillar.
