YEAR-OLDS

Concept: One-to-One Correspondence

Materials

1. File Folder
2. Blue and black construction paper
3. Pocket for back of folder

Instructions

Using the template provided trace six frog shapes on the inside of a manila folder. (Optional: Color frogs or cut shapes out of blue construction paper and glue on the folder.) Write odd numbers from 1-11 (1, 3, 5, 7, 9, and 11) on the frog, one number per frog. Cut 36 small triangles out of black construction paper. Label the folder **Frog's Meal**, glue a pocket to the back, and laminate the folder and triangles. Challenge the children to feed the corresponding number of triangles (flies) to the frog. Ex: The number three frog gets three black triangles (flies.)

Frog's Meal
